

## **CoinDesk Indices Announces Removal of MKR from the CoinDesk 80 Index**

**September 18, 2025** – CoinDesk Indices (“CDI”) announces it will remove Maker (MKR) from the CoinDesk 80 Index effective September 25, 2025. MKR will not be replaced. The weight of MKR will be redistributed proportionally to the remaining constituents of the CoinDesk 80 Index as of the effective date. This change will be implemented at 4 p.m. Eastern Time on September 25, 2025.

### **Background**

The MKR to SKY token migration has resulted in certain exchanges announcing they have removed, or plan to remove, support for MKR. Therefore, CoinDesk Indices is removing MKR from all multi digital asset indices. CoinDesk Indices will review SKY’s eligibility for inclusion at the next scheduled reconstitution at the end of October 31, 2025. Results of this reconstitution will be announced on October 3, 2025.
