

CoinDesk Indices Announces July 2023 Reconstitution Results for its CoinDesk Market Select Index

June 21, 2023 – CoinDesk Indices (“CDI”) announces July 2023 reconstitution results for its CoinDesk Market Select Index (“CMIS”) based on data from June 16, 2023. The reconstitution will be effective at 4p.m. Eastern Time on July 5, 2023 and include updates to circulating supplies as well as constituent changes, if any, as indicated below.

Important Note: On June 6, 2023, CDI issued an [announcement](#) following the SEC lawsuit filed against Coinbase. In that announcement, CDI indicated that it would not remove the digital assets designated as securities by the SEC in its allegation. Instead, CDI monitored exchange activity for these assets as well as other eligibility criteria as detailed in its Index Methodologies to determine whether the designated tokens continued to qualify for its indices. With respect to the July 2023 reconstitution, the impacted digital assets will continue to be eligible for inclusion. CDI has issued a [consultation](#) related to this matter and is accepting market feedback.
