

CoinDesk Indices Announces Updates to its Single Digital Asset Price Indices

June 15, 2023 – As previously announced, CoinDesk Indices removed Binance.US from its list of eligible exchanges used to price its Single Digital Asset Price Indices.

Based on data from June 11, 2023, CoinDesk Indices performed a review of impacted indices where the number of contributing exchanges dropped below three following the removal of Binance.US. To identify replacement exchanges, the requirement for an eligible exchange to be on the watchlist was temporarily removed.

As a result, the following modifications will be implemented over the 24-hour period beginning at 4:00 PM Eastern Time on Saturday, June 17, 2023.
