

## CoinDesk Indices Requests Feedback on its Digital Asset Classification Standard

**October 1, 2022** – CoinDesk Indices announced it is seeking feedback on potential changes to its Digital Asset Classification Standard (“DACS”). CoinDesk Indices will convene a meeting with its DACS Advisory Council and has issued a public consultation on its website.

To participate in the DACS Consultation, please go to the Consultation section of the CoinDesk Governance [website](#).

This consultation will close on November 4, 2022. Any changes resulting from the consultation will be announced prior to implementation.

For questions on this announcement, please contact [IndexServices@coindesk-indices.com](mailto:IndexServices@coindesk-indices.com).

Regards,

CoinDesk Indices
