

CoinDesk Indices Announces January 2023 Reconstitution Results for the CoinDesk Industry Group Select Equal Weight Index

December 28, 2022 – CoinDesk Indices (“CDI”) announces January 2023 reconstitution results for the CoinDesk Industry Group Select Equal Weight Index (“DIGS”) based on data from December 23, 2022. These changes will be implemented at 4PM NY time on January 4, 2023.

Note: Based on market conditions, the market capitalization requirement for current constituents and non-constituents were relaxed. The updated market capitalization requirements used for the January 2023 reconstitution are:

Non-Constituents: USD600M

Current Constituents: USD400M

The Index Committee has issued a [consultation](#) regarding the eligibility and selection rules for DIGS. This consultation is open until January 13, 2023. Please visit the Index Governance [site](#) to review the consultation and submit feedback.
